Re: **IADC Well Control Accreditation Program (WellCAP)
Program Number W- 414**

Dear Bill:

I am pleased to inform you that the WellCAP Review Panel has awarded "FULL ACCREDITATION" approval for your training facility to teach: Supervisory, Fundamental and Introductory levels on Drilling, Workover-completion, Coiled Tubing, Snubbing, Wireline Operations, and combination courses. This approval is for Surface or Surface/Subsea Stack Options for permanent and traveling schools in English.

This accreditation will extend until September 2011, contingent on meeting program requirements regarding annual renewal and reporting. Your program number is W414.

Enclosed is your Certificate of Accreditation. Please contact IADC for more information in the event that you wish to add a new course, modify an existing course or for any significant changes in your program's methodology, equipment, facilities or personnel.

Best regards,

Marlene Diaz
